Dear Mr. Lau:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your report discloses a receipt(s) from "I.F.P.T.E. LOCAL 21 RECEIVED AS A CONDUIT FROM ITS MEMBERS" totaling \$4,132.00 for the apparent misdeposit of funds originally intended for your connected organization. 2 U.S.C. §441b prohibits the receipt of funds from national banks, corporations, and labor organizations, except that a connected organization may pay for the solicitation or other administrative costs of its separate segregated fund. 11 CFR §114.5(b)(3) Further, you are advised that contributions deposited in a federal account must meet the following conditions: the contributions are designated or expressly solicited for use in connection with federal elections and contributors are informed that their contributions are subject to the limits and prohibitions of the Act. 11 CFR §102.5(a)(1) and (2)

The Commission notes your transfer-out of the misdeposited funds on your 12 Day Pre-General Report. Although the Commission may take further legal action concerning the apparent misdeposited funds, your prompt action in refunding or transferring out these funds will be taken into consideration.

Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
